Saddle Log Program

The Saddle Log Program is a great way for you to earn awards for the time you spend riding your Appaloosa. Whether you are an adult or youth, this program recognizes the personal achievements and benefits of riding on a routine basis. Whether you participate in trail rides, train and compete in shows, ride in parades, perform ranch work, or enjoy pleasure riding, each hour will count toward your lifetime achievement record and enable you to receive recognition and awards from the ApHC.

How to qualify for the Saddle Log Program:

You must be a current ApHC member. Any horses used in the program must be registered with the ApHC.

How to enroll for the Saddle Log Program:

Please send the completed Saddle Log Application form and enrollment fee to the ApHC office.

1. For adults – there is a **\$15 annual enrollment fee** that enables adults to participate for 12 months from the date the enrollment application is received by the ApHC, (ex. If your form arrives July 23, you are eligible to participate through July 22 of the following year.)
2. For youth – there is a **one-time \$20 enrollment fee** that enables youth to participate from the date the application is received in the ApHC office until the youth is over the age of 18 as of January 1.
3. All horses used must be ApHC-registered Appaloosas (#, CN or N -registered horses that have been issued a Performance Permit prior to the qualifying year, are eligible). Participants may use multiple ApHC-registered Appaloosas and do not need to own the horses used in the program.
4. Logged hours must be recorded on official forms available from the ApHC.
5. Records will be permanently maintained in the customer's file (beginning in 2006), even if the participant becomes inactive in the program.
6. The ApHC also offers a program for disabled riders and drivers. The same rules for enrollment and qualification apply to this program.
