

[Erica Halterman Wins Trailer at Oklahoma Event](#)

Erica Halterman, AYA member since 2004, entered a newly added trail horse competition at the Oklahoma Horse Fair in February of this year and ended up heading home with a brand new Titan two horse slant load with her Champion title stretched across the back of it. Erica and her 8 year old Appaloosa mare, MAMA'S DESIGN, competed against 20 other Paints, Arabians, and Quarter horses and nearly blew the competition out of the water with a score of 186 out of a possible 200.

Congratulations to Erica and MAMA'S DESIGN for a job well done!
