

**ApHC ANNOUNCES APPALOOSA EMAIL SERVICE NOW
AVAILABLE**

ApHC membership boasts more perks than ever

An Appaloosa Youth Association (AYA) membership now offers more than ever! The ApHC is proud to announce that its members can now communicate to the world using Appaloosa Email!

Each AYA member has their very own Appaloosa Email address. This unique email community offers up-to-date ApHC notifications, an ApHC calendar, shared contacts, secure log-in and 1 GB of storage. The Appaloosa Email service might remind you of Microsoft Outlook, but it is all Appaloosa. You can use Appaloosa Email it to communicate to friends, family and fellow AYA members across the globe. It is one of many ways to tell the world the Appaloosa is *your* breed of choice!

Each AYA member has one FREE Appaloosa Email address, but if one Appaloosa Email is not enough, additional email service is available for \$25 per address per year.

AYA members can access their Appaloosa Email account by visiting www.appaloosaemail.com, using first and last name for user identification and their ApHC seven digit membership number as a temporary password.

For questions or concerns regarding the new Appaloosa Email, the ApHC is happy to provide quality customer support from 8 a.m. to 5 p.m. PST, Monday through Friday. Please contact the New Client Specialist 208-882-5578 ext. 235 or email support@appaloosaemail.com.

Remember this exciting service is only available to ApHC and AYA members, and no other equine association offers more! So if your friends want their own Appaloosa Email address, tell them to visit www.appaloosa.com or call the ApHC at 208-882-5578 to sign up for an Appaloosa Youth Association membership!
