

National Show and Youth World Swap Weeks

The schedule in Jackson, Mississippi, for the Youth World Championship Show and the ApHC National Show has been revised to address some issues relating to youth participation. It's basically a swap of show weeks so that the National Show Open and Non-Pro events will begin on Monday, June 22nd. The Youth World Show will be AFTER the National Show. The middle weekend will feature the cattle classes, so the youth-only portion of the show will likely begin on Monday, June 29th. Complete show dates are June 22 – July 4.

See you in Jackson!
